

The public owns the radio frequencies and should benefit from their lease by greater diversity in news and entertainment, points of view, and media ownership. I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules. There is precious little diversity in the media already. Rule change makes the probability of one voice, one opinion even more likely.

Sincerely,
Lorraine Kanter - VERY CONCERNED CITIZEN
